ABOUT US

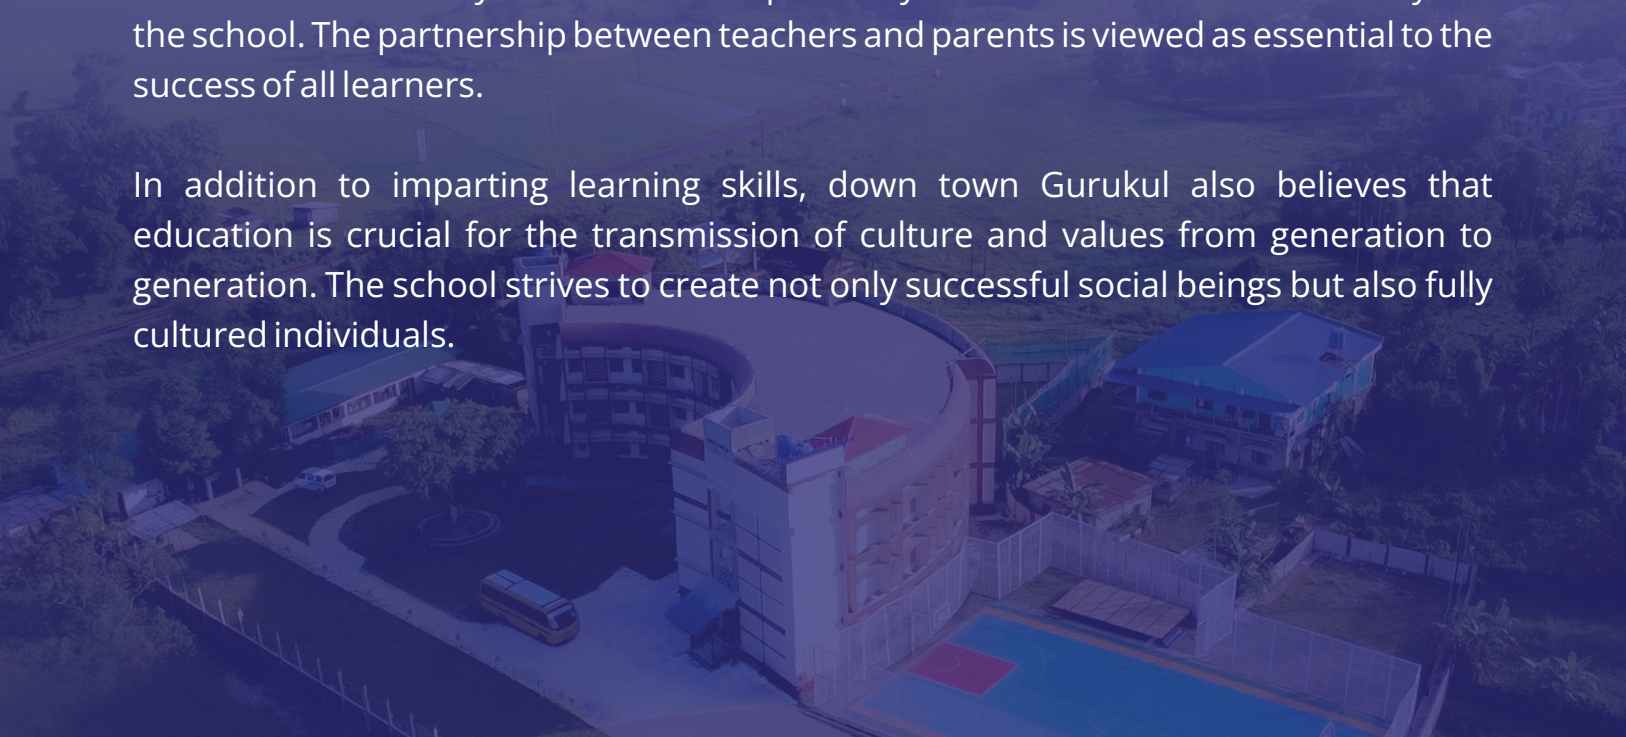

down town Gurukul is a renowned school that is promoted by the down own Charity Trust, which is in turn promoted by the down town Hospital Ltd., the first multi-speciality hospital of its kind in North Eastern India. With 26 years of experience in serving the people of Assam and the North Eastern Region, the hospital has established a reputation for excellence in healthcare.

The school is committed to providing exceptional education to a diverse community and nurturing the latent talents of children to prepare them for the challenges of an ever-changing world. To achieve this, down town Gurukul follows all the norms of cbse and National Education Policy 2020 (NEP) and focuses on the promotion of self-discipline, high intellectual achievements, and physical fitness. Education is viewed as a continuous process that provides ample opportunities for the holistic development of every child.

down town Gurukul offers a variety of academic and extracurricular activities that ensure the all-inclusive development of the student, while providing personalized attention and maximum comfort. The school strives to make education purposeful, meaningful, and enjoyable.

Looking towards the future, down town Gurukul envisions itself as an empowered and innovative community of learners who positively contribute both within and beyond the school. The partnership between teachers and parents is viewed as essential to the success of all learners.

In addition to imparting learning skills, down town Gurukul also believes that education is crucial for the transmission of culture and values from generation to generation. The school strives to create not only successful social beings but also fully cultured individuals.

VISION & MISSION

VISION

At down town Gurukul we seek to empower students as learners, leaders and citizens of the world. Our vision is to help build well-rounded individuals who can take on any challenge in life with knowledge, courage, integrity and personal wellbeing. We strive to create the best learning environment in which individuals are provided with the necessary skills to become life-long learners and positive contributors to society.

MISSION

down town Gurukul is committed to creating a vibrant centre that is accessible and welcoming to all, and to providing education and diverse cultural experiences that benefit the entire community.

- *We strive to create an educational environment that fully embraces and values the four pillars of learning – spiritual, physical, mental, and social, in order to equip our students with the essential knowledge and skills required to achieve their highest potential.*
- *We are dedicated to providing a holistic learning environment which allows for the cultivation of the mind, body and spirit.*
- *We are committed to promote the four core pillars of learning - Learning to Know, Learning to Do, Learning to Live and Learning to Be to empower our students with knowledge, confidence, and strong values to take into adulthood.*

FROM THE DESK OF CHAIRMAN

Dear Parent,

“

I extend to you and your family a very warm welcome to down town Gurukul. Our academic, co-curricular, extra-curricular and community service programmes offered in a state-of-the-art infrastructure and facilities, enable students to remain grounded, focused, connected and become caring individuals. Our engaging faculty and supportive administrative staff are committed to providing a safe and nurturing learning environment.

Learning at down town Gurukul initiates a life-long journey of positive transformation through engagement in a wide variety of experience and holistic development. We empower learners to think critically, work independently and provide the best opportunities for self-directed learning.

We hope to produce young people who are happy, resilient, self-motivated, confident and ready for any challenge that lies ahead. We believe in the pursuit of academic excellence and success. Our education is determinedly holistic and values-driven. Our pupils flourish both in and out of the classroom and they develop skills, qualities and values that will lead to a successful life.

We hope you will find dtG to be the right choice for your child's education and look forward to a fruitful journey with you.

With all good wishes, ”

Dr. N.N. Dutta

Chairman

down town Gurukul, Moranhat

FROM THE DESK OF TRUSTEE MEMBER

Dear Parent,

“

I delightfully welcome you in to the dtG family.

We provide a distinctive educational environment that enables young persons to grow not only in intellectual capacities, but also in other dimensions of their being. We believe in a joyful experiential learning system wherein; each child is encouraged to participate wholeheartedly! We encourage children to grab every opportunity that comes their way which would not only help in their holistic growth but also strengthen their belief in teamwork, which is important in this fast-paced world.

We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society! Our pedagogy which is holistic and comprehensive compliments this. We have a team of dedicated educators whose boundless energy and intense commitment keep the ethos of our school shining brightly. We maintain an inclusive environment which acknowledges and respects children from diverse family and cultural backgrounds. We aim to offer a safe, happy place where everyone is known and valued, and where differing needs are attended and taken care of.

Our comprehensive development programs provide students with an international learning experience, while preserving our core Indian values. ”

Prof. Bandana Dutta

FROM THE DESK OF PRINCIPAL

"Education is not preparation for life; education is life itself"
~John Dewey

“
Greetings from down town Gurukul, Moranhat

To actualise these beautiful words “down town Charity Trust” took upon itself the humongous task of providing a “LEARNING CENTRE” at Moranhat by building the beautiful “down town Gurukul”. It is set up to give strength to the wings of our children to fly high.

The learning process is a beautiful thing. It is life-giving experience. A proper learning experience sets children up to grow personally, professionally, and socially. It also awakens joy, curiosity and a deep desire to solve problems and positively impact those around them. It helps learners to become better versions of themselves.

At down town Gurukul we are focusing on the kind of education by which “character is formed, strength of mind increased, the intellect is expanded, and by which one can stand on one’s own feet. (Swami Vivekananda)”. For us to educate means is to address the Emotional, Social and above all the Spiritual aspect of personality. It is therefore we have made it our utmost responsibility to address hands, mind, heart and soul.

We strongly believe in:

Educating the hands: Skills of hand and dignity of labour, equality of persons and different roles they play in fulfilling a dream.

Educating the mind: Right attitude and right perspective. To change the way one sees and addresses the situation. To broaden the horizon and change the view point.

Educating the heart: It is educating to value persons and relationships. The qualities that make us human and build human relationship and ultimately give us meaning in our lives.

Educating the Soul: We are spiritual persons. The depth of our spirituality defines our personalities. This gives education a very firm foundation on which life is developed.

During the schooling every child is being prepared for the “future”. At down town Gurukul, Moranhat we would like to make the present more important and give the child a “holistic learning and growing mission” and make the childhood an enduring experience.

Each member of dtGM is committed to raise these wonderful gifts of our future into responsible persons.

I would like to invite you to be a part of such endeavour. Come be a part of down town Gurukul, Moranhat.

”

Dr. Ivan J F Vas

Principal

Class rooms

At down town Gurukul, classrooms are dynamic learning spaces designed to inspire curiosity, confidence, and collaboration.

✓ Bright & Child-Friendly Spaces

Well-lit, ventilated, and comfortable classrooms that create a positive learning environment.

✓ Smart Technology Integration

Interactive boards and digital tools make lessons engaging and easy to understand.

✓ Activity-Based Learning

Group work, hands-on tasks, and projects encourage creativity and critical thinking.

✓ Age-Appropriate Layouts

Play corners for young learners, group tables for middle grades, focused seating for seniors.

✓ Safe & Inclusive Environment

Every child feels valued, respected, and supported.

✓ Personalized Attention

Small class size allows teachers to focus on individual progress and needs.

✓ Beyond Textbooks

Presentations, peer learning, and real-life problem solving build future-ready skills.

✓ Teachers as Mentors

Educators guide, motivate, and inspire students to explore and excel.

Indoor & Outdoor Sports

At down town Gurukul, we believe that play is a powerful tool for holistic development, which is why our indoor and outdoor games program is thoughtfully designed to nurture both the mind and body. Our indoor facilities provide a safe and engaging space where students develop focus, strategic thinking, coordination, and social interaction through structured activities and friendly challenges. These sessions help sharpen mental agility, build confidence, and encourage teamwork in a comfortable environment.

Outdoors, our expansive playgrounds offer students the freedom to explore, stay active, and enjoy the spirit of sportsmanship. Through a variety of physical activities and guided sports training, children improve their stamina, agility, and discipline while learning the importance of collaboration and leadership. Regular physical education, fitness exercises, and recreational play ensure that every child remains energetic, motivated, and connected to nature.

With expert guidance from trained coaches and educators, our sports program goes beyond entertainment—it instills life skills such as perseverance, resilience, respect, and healthy competition. At Down Town Gurukul, we don't just promote games—we create opportunities for character building, lifelong fitness, and joyful learning through play.

Library

At down town Gurukul, the library is a vibrant knowledge hub where curiosity is encouraged, imagination takes flight, and a lifelong love for reading is nurtured. Designed as a warm and welcoming space, our library offers a calm and comfortable environment where students can explore a rich collection of storybooks, reference materials, journals, digital resources, and age-appropriate literature that support both academic growth and personal interests.

The library plays a vital role in developing strong reading habits, vocabulary, critical thinking, and independent learning. Students are encouraged to read, research, and reflect, which helps them go beyond textbooks and expand their worldview. Guided by supportive librarians and teachers, children learn how to find information, analyze content, and use resources responsibly and creatively.

In addition to silent reading, the library hosts storytelling sessions, book-related activities, and research-based projects that make learning enjoyable and interactive. It is also a space where students develop discipline, focus, and respect for shared resources.

At down town Gurukul, the library is a place to discover, dream, and grow intellectually and emotionally.

《Astronomy Lab》

At down town Gurukul, the Astronomy Lab opens a window to the universe and transforms curiosity into discovery. It is a unique learning space where students explore the wonders of the sky through hands-on observation, models, simulations, and interactive tools. Instead of just reading about space in textbooks, children engage with real concepts—planets, stars, galaxies, satellites, and celestial events—in an exciting and practical way.

The lab encourages students to ask questions, think scientifically, and develop a deeper understanding of the world beyond Earth. With the guidance of trained educators, students learn how to observe the night sky, use basic astronomical instruments, and understand space technology and exploration. This experiential approach builds critical thinking, problem-solving skills, and a sense of awe for science and nature.

The Astronomy Lab also inspires creativity and imagination, motivating learners to dream big and explore future careers in science, research, and innovation. More than a lab, it is a place where curiosity is celebrated, knowledge meets wonder, and every child learns to look up and think beyond limits.

At down town Gurukul, the universe becomes a classroom—because the best learning often begins with wonder.

IT Lab

At down town Gurukul, the IT Lab is a modern digital learning space where students develop essential 21st-century skills and become confident, responsible users of technology. Equipped with updated computers, high-speed internet, and interactive software, the lab provides a hands-on environment for learners to explore coding, digital creativity, research, and problem-solving. Students not only learn basic computer operations but also engage with advanced concepts like design, presentation, typing skills, and logical thinking through structured activities and projects.

The IT Lab promotes innovation by encouraging students to experiment, create, and use technology as a tool for learning across subjects. With the guidance of skilled instructors, they understand digital safety, cyber ethics, and the importance of using technology wisely. Collaborative tasks in the lab help them build teamwork, communication, and analytical abilities.

More than just a computer room, the IT Lab prepares students for the future by bridging the gap between education and technology. It empowers them to think critically, adapt to new tools, and become tech-savvy learners ready for the digital world. At Down Town Gurukul, technology is not just taught—it is experienced, explored, and used to inspire growth..

Activity Room

At down town Gurukul, the Activity Room is a joyful, creative space where learning goes beyond textbooks and children express themselves freely. It is designed to engage students in art, craft, music, dance, drama, role play, and other hands-on experiences that spark imagination and build confidence. Here, every child gets the opportunity to explore their talents, discover new interests, and develop important life skills in a relaxed and supportive environment.

The Activity Room encourages collaboration, communication, and creativity through group tasks and interactive sessions. Students learn to think independently, share ideas, solve problems, and work as a team while enjoying the process of creation. With guidance from skilled facilitators, they build fine motor skills, emotional expression, and self-discipline through fun-filled activities.

This vibrant space also helps in developing social skills, boosting self-esteem, and reducing stress by providing a healthy balance between academic learning and artistic exploration. At down town Gurukul, the Activity Room is a place to create, express, and grow with joy and confidence.

UNDERTAKING BY PARENTS

We, Mr..... & Mrs
parents of Master/Miss..... seeking admission to class in
down town Gurukul, do hereby undertake that:

1. We will abide by all the rules and regulations of the school being enforced from time to time in down town Gurukul.
2. The admission to down town Gurukul is provisional and will be regularized only on production of the original mark sheet and transfer certificate from the present school (for classes II onwards). We also undertake that in case our ward fails in the existing school, his/her provisional admission at down town Gurukul will be cancelled.
3. The minimum percentage required for promotion to the next class in down town Gurukul in all the classes is 35% and also understand, if my ward gets less than 35% in annual exam of any class, he/she may be detained in the same class. Failing twice in down town Gurukul will lead to issue of TC.
4. The attendance required to complete the academic year is 90%. The student with lesser attendance (without proper supportive documents) will not be allowed to appear for exam and will be detained in the same class.
5. We agree with the fee of the school notified to us as it being commensurate with the infrastructure, faculty and facility available in the school.
6. We agree to pay tuition Fee for and Bus Fee for 12 months. There would be no concession or relaxation of the fee on account of Strikes/Vacations etc
7. We agree to deposit Fee by the 10th of every quarter else a late fee of Rs.100 per month would be charged. Fee once paid will not be refunded.
8. Though the school will take all precautionary measures, it is likely that the students may get hurt or meet with an accident during their sports hours, in the classes or while taking part in the programs conducted outside the school campus. The school authorities will not be held responsible for any unforeseen incident.
9. In case our ward is suffering from any disease/problem that prevents him/her to take part in some games and sports activities, we will inform the school authorities in writing as soon as possible, along with a medical certificate.
10. We understand that for the purpose of uniformity in books, dresses & other similar items and maintenance of their quality, school may authorize dealers to provide these items to our wards and it will be our responsibility to take items from them.
11. We will inform the school authorities about any change in our home address or telephone numbers immediately after the change for updating the records or will not hold the school responsible for not receiving the information.
12. We will ensure that pickup & dropping stoppages of our ward (s) fall on the route already existing for down town Gurukul buses; under no circumstances we shall force change of predetermined routes & bus stoppages.
13. In case of breach of discipline by our ward we will co-operate with the School Authorities in taking corrective measures.
14. We will not be associated with any organization which is not recognized by the Management of the School.
